Dear Caroline

Thank you very much for the re-issued cheque for £500 from Sporting Bears Motor Club. Thanks to Kay and David Roberts and all the Shire bears for their continued support of our charity, we really do appreciate it.

We are so grateful to receive the donation; Covid-19 has proved to be quite a challenge for us, however we are very pleased that we have been able to continuing to provide music therapy, albeit in a different way.

We managed to borrow some keyboards from various local organisation's and bought some small percussion instruments, which we distributed to the children and their families. We also put together some activity/sensory packs and uploaded some videos for the families to access on a private You Tube platform. Once the instruments were distributed, we were then able to Zoom call the families and do the sessions 'virtually'.

We have had some particularly good feedback following the sessions and it looks like we be using Zoom for quite some time, bearing in mind the vulnerability of the children we see.

We wish you all the best and hope you will be able to meet and enjoy the friendship of Sporting Bears, and all the great charitable work you do, very soon.

Kind Wishes

Lucy Smith.
Fundraising Co-ordinator.
