Dear Caroline, Baz and the team,

Thank you!

Thank you all for your very kind donation of £500.00 which will go straight towards making a difference to children in great need.

This, as I am sure you realise, comes at a great time for us as fundraising is so difficult in both business and community. We are working hard to keep the charity going and we are being blessed by some lovely support.

You have provided some much-needed smiles and your support will have a hugely positive impact on the life of a family who are dealing with the profound effects of disability.

With your help our therapists can provide digital, individualised, family programmes that quite simply transforms lives. Because of your passion and loyalty, the world will change for one child.

Thank you once again Caroline and the team for your fantastic support from all of us at bibic and from the families we help too.

Yours sincerely
