Charity Secretary  
Sporting Bears Motor Club

Dear Sporting Bears,

On behalf of ADAPT Prembabies, I would like to thank Sporting Bears Motor Club for the amazing donation of £1,125.00 raised at Oadby Car Fest. We are absolutely delighted to receive this and ask you to please pass on our grateful thanks to all the car owners, organisers and your supporters who gave up their time to participate in this event.

Every new parent on the neonatal unit receives one of our ADAPT Baby Packs which gives them essential supplies of nappies, cotton wool, small teddy and other items to help them over the first 48 hours and this donation will be put towards paying for the next supply of Tote Bags so thank you so much.

The last 18 months have been particularly hard for us as all our fundraising activities and events had to be cancelled so we really are very grateful to everyone at Sporting Bears for their support and kindness.

Kind regards
