

07 July 2021

Dear Baz and all at Sporting Bears,

Sporting Bears Motor Club, **we can't thank you enough!**

I wanted to write to thank you for your recent generous donation of £1000.00. In these challenging times, we are so grateful for the generosity and thoughtfulness of your Group. We rely on the local community for 95% of our funding so your support means so much – thank you.

Your donation is helping us adapt our care to the ever-changing needs of seriously ill children during the pandemic, visiting families in their homes, running virtual play sessions for the most vulnerable children and stepping in to provide emergency care when families have no-where else to turn. Families just like this one:

“The nurses and carers totally ‘get’ us as a whole family, know what is right for us and can read our mood,” says one mum of a seriously ill little boy supported by Julia's House. “They work within our normal and our normal can be a horrible place and worrying at times but they listen, they understand and they pre-empt our needs. Julia’s House nurses can turn the day around and leave us all feeling so much better able to cope.”

Your support is helping us to break the cycle of fear, isolation and exhaustion that parents are facing at the moment. It’s helping us give them a much-needed break, so they can carry on coping. Thank you.

With best wishes

Amanda Valentine
Donations Administrator and Public Fundraising Assistant

Care for the child, there for the family
