

Mr Michael De Sousa Macedo

2nd August 2021

Dear Michael,

Thank you so much, once again, for your hard work on Saturday and in the run up to The Children's Trust Supercar Event. We really appreciate the support, dedication and enthusiasm from the Sporting Bears team and are extremely grateful.

As I mentioned to the drivers, it was important that we did not miss another year of hosting our biggest annual fundraiser, so that we can keep the momentum going with this event. The road to The Supercar Event 2021 was not smooth with the delays to the easing lockdown, the forecast thunderstorms, and such a short lead in time to make the event happen. But together, we did it!

The feedback has been extremely positive and the smiles on the faces of the passengers certainly makes all the hard work worthwhile.

Over £30,000 net income was raised and this will help us give many more children with brain injury and neurodisability the opportunity to live the best life possible.

On behalf of the children, families and the Supercar team at The Children's Trust, thank you for your continuing support.

*Very best wishes,
Dalton*
