Dear Caroline, Max and the team at Sporting Bears

I want to send a huge thank you to everyone at Sporting Bears Motor Club for their fantastic support and fundraising for Teenage Cancer Trust. Following your very successful Sporting Bears Dream Ride at both CarFest North and CarFest South, we are delighted to have received the wonderful donation of £10,873.50 – thank you all so much!

We truly value your support because Coronavirus has hit young people with cancer hard and disrupted our services, but we're doing everything we can to adapt. Your generosity will make a difference to the lives of young people living with cancer in the UK.

The pandemic has meant that, more so than ever, young people with cancer have faced even greater isolation and uncertainty. The strain on hospitals has disrupted our services but we have done everything we can to adapt and innovate to continue our mission, to ensure no young person has to face alone.

Without your support, Teenage Cancer Trust would not be able to deliver the specialist emotional support and care they need, and to have strength and positivity in moving forward with their lives, particularly important in these difficult times.

Whatever the crisis, we won't stop - can't stop - being there for young people with cancer!

Many thanks and best wishes
