Dear Sporting Bears Motor Club,

As you know, we are a local charity who help children and families at the most distressing time of their lives and in order to ensure that we can be here for everyone who needs us it is vital that our local community help in whatever way they can.

We were truly grateful to receive your donation of £3624.50 raised from Car Fest North. Words cannot come close to expressing how much this means to the children and families who need us. To know that you have been thinking of us at a time when there are so many other concerns and worries has really touched our hearts

There is no doubt that the children and families need the support of Hope House and Tŷ Gobaith more than ever and thanks to your generosity, you are making it possible for us to continue with our vital work in the most difficult of times.

The last 18 months have been challenging for everyone, but we are thankful that we were able to continue to provide end of life and critical care throughout the pandemic and that we are now able to offer much needed respite care for our families who have been shielding. It is wonderful to hear the children laughing and playing again in the hospice after such a long time.

All of this only possible because of people like you, we are so thankful and please know that we shall never forget your kindness,

Kindest regards,

Hannah Robinson
Area Fundraiser
