

24<sup>th</sup> May 2022

Dear Lisa and everyone at Sporting Bears Motor Club,

Thank you so much for choosing to support The Joshua Tree by acknowledging the work we do in supporting families affected by childhood cancers across the North West and North Wales.

Your recent generous donation of £4,331.03 raised at the Oulton Park Charity Track Day on 17<sup>th</sup> April 2022 will make such a huge difference to The Joshua Tree. This will fund a number of support sessions for our beneficiary families such as counselling, art and play therapy, music therapy and dietary and fitness advice and will also contribute to a number of holiday-run events at the support centre.

Thank you again for your kindness.

Yours sincerely

A handwritten signature in black ink that reads 'Helen V. Ritchie'.
