Dear Friends at SBMC

Once again we write to say thank you for your incredible support having recently received a donation of **£335** from SBMC. We understand this is from a 'Midsomer Murders Tour' you attended the other week which also involved a competitive treasure hunt too! Sounds intriguing and exciting all at the same time. We hope the weather held fair for you and all the visitors.

Our work which includes helping children is ongoing and as we move out of the confies and challenges that Covid presented us all with, we hope to be able to train more dogs this year, providing independence, inclusion and confidence to children and adults with a range of disabilities and autism.

You can watch one of our lovely short films by clicking on this link: <https://vimeo.com/478531554>

Thank you again for your continued support – we feel very blessed indeed.

Best wishes and keep safe,

Lydia Martin
