

Restoration Show 2022

On hearing that the Sporting Bears Motor Club would be supporting at the Restoration Show William Graves, Regional Fundraiser wrote to the Club:

Hi Alan,

This is excellent news – thank you!

I will add this event to our calendar and please don't hesitate to get in touch if there's anything I can do to help. I'm here to be the Club's direct point of contact within the charity.

The relationship we hold with Sporting Bears Motor Club is incredibly dear to our charity and the funds that you have raised over the years have gone such a long way in enabling us to do more for our sick kids and their families.

I have just had a look and the Sporting Bears Motor Club fundraising total is a whopping £37,423.79 – amazing! I can't wait to see where this event takes us.

Best wishes,
William Graves
Regional Fundraiser

And after the event Will wrote:

Hi Alan,

In recognition of your efforts, we will put up a balloon in the entrance of the hospital with printed text of your choosing to be in place for a year. You will receive an invitation to the event shortly with a request for your choice of balloon wording.

There is a brochure printed for the event and we suggest the following should be included for the Sporting Bears Motor Club:

"The incredible Sporting Bears Motor Club were determined to not let anything get in the way of doing more for our sick kids this year and, despite the challenges, raised a whopping £5,875 in aid of our hospital and we are so grateful for their ongoing support."

Best wishes,
Will
