Good Morning Caroline

Thank you so much for your email, and moreover for the wonderful donation of £1,000 towards the work of the Children's Respite Trust. I am pleased to confirm that it has been received at this end.

I'm pleased to report that our work is continuing to grow and we are helping more and more children both in the community across Sussex and parts of Surrey and Kent and also at our Day-Care Centre in Uckfield. In the past year alone we have provided vital support to 62 families, despite restrictions.

For some, our care means that the parents get to spend time with siblings of the disabled children. For others it is simply an opportunity for some sleep, but for all families, it is a chance to do something that the rest of us take for granted, while children themselves have the best time possible.

None of our work would be possible without the support of the local community and so for your generous donation, we are all hugely grateful.

With thanks again

Yours sincerely
