Dear Caroline,

I write to thank you and all involved with Sporting Bears for the generous donation of £500, which has been safely received via direct credit. This donation will contribute to the support of families who are caring for a terminally ill child, and will allow React to continue aiding those who need it the most.

As the sunshine returns, and we move away from coronavirus restrictions, React families remain as vulnerable as ever, and they continue to face extreme challenges when caring for their child. For these families React is considered a last resort, and to know that we can support them often makes the world of difference. We are extremely grateful for the Bears' role in helping us provide them with the support that they need.

Thank you again and on behalf of all React families, your generosity and kindness are truly appreciated.

Yours sincerely,

**Conor Ó Donnabháin**
