

Health, wellbeing, learning and fun for children with Down syndrome and their family and carers.

Monday 13th June 2022

Hi Caroline,

Sorry for the delay in replying as my office hours are only part time.

I have had confirmation from PCP's finance department that the monies had been received on Monday 6th of June. Thank you so much for Sporting Bears continued support it really means the world to us!

It was a lovely evening and it was great to catch up with the gang again.

In regards to monies we recently purchased new mats to be used for our sessions which made a dent in our funds so your members fundraising helped greatly, it also helps us with resources for sessions.

We are currently looking at using the Garden at our centre more so we are doing lots of work on nature and the outdoors. We are hoping over our summer break to provide some special educational sessions at Hardwick Park which we have done in the past and which proved very successful, so again your monies will be a great start in us being able to look at doing this, fingers crossed.

😊 You can't beat a mud kitchen session in the forest!!

Warmest Regards and Best Wishes from all at T21 / PCP

Jo x
